2023-24

## DEALER PRICE LIST w.e.f. 1<sup>st</sup> April 2023

### Quality

We never compromise in raw material quality so our Instrument's performance through out the year remain the best and uniform.

Similar Specification with similar designs, so many products available in the market, some of the lower than our price and some of the higher than our price, but we have our own control for uniform supply and 365 days availability

We know better about our quality, some-of the technical persons also know the basic difference.

### Return Policy

If by any chance any customer is not Happy/Satisfied, we will take back our Instrument and refund you the amount within 30 days from the date of Invoice provided after we receive the Instrument in Original, Safe Packing with all Standard Accessories.

Our main purpose is to further boost your confidence in our products so that you confidently supply all products to your customers.

Giving guarantee in all products including Spares, Consumables, Perishable & Fragile items itself shows how confident we are in our product range.

Standard Weights are not covered in Return Policy & Guarantee

### Guarantee - 13 Months

We Guarantee the Instrument against manufacturing defects as per terms, 13 months from date of Invoice, at our service center Chennai

Guarantee also Cover for Replacement of Adaptor, Loadcell, Battery, PCB, Display, etc. at our service center in Chennai. (We repair / replace required spare parts except Instrument outer body )

If out of station engineer visit is required at customer's place, charges will be extra, even in guarantee period also.

No warranty & No Guarantee for Option E, It's for Export only

Guarantee/Warranty will not be applicable in case of any natural disasters, mishandling or opening of Instrument by any unauthorized person.

We reserve the right to change the prices, specifications & design without notice.

2023-24
